## Itinerary

Trip meets at 8:30am at the SMN train station (you will receive an email with exact departure place and time) to make our trip to Venice. The travel time is approx. 3-3.5 hours with arrival at approx. 11:30am-noon.

When we reach the famous island of Venice the Euroadventures trip leader will head out through the winding, ancient maze of streets of Venice, eventually ending in the massive St. Mark's Square (Piazza San Marco) which is the center of the Carnival festivities (though you'll see and experience many lively spots and crowds along the way) for those that want to join.

For those that want to wander Venice and explore on their own, or see areas off of the main island, the Euroadventures leader will show you the main boat terminal to take a Vaporetto or water taxi to reach destinations like the glass blowing island of Murano, the beautiful island of Burano, the beach area of Lido, etc...

This is a very independent trip (especially due to the crowds all over the city) so you can spend your time accordingly in Venice and experience the day exploring the events of Carnival to make the most of your time!

Departure time will be at approx. 8:00pm and we will arrive back in Florence at approx. 11:00pm.
